Georgia graduated from the University of Tasmania in 2017 with a Bachelor of Agriculture, majoring in business management. Following participation in Meat & Livestock Australia's Future Livestock Consulting Internship, Georgia completed a Graduate Certificate in Agricultural Consulting from UNE.

Georgia enjoys interacting with producers and has well developed communication skills and extensive experience in working with people from a range of different backgrounds. Georgia is capable and experienced in large-scale event coordination and her key areas of expertise are in project management, event communication, livestock and grazing systems.

Georgia is passionate about the Australian agricultural industry and has a particular interest in red meat productivity.
