

# NEXT GEN BREAKTHROUGH GROUP

## supporting the next generation of farm managers

Managing a farm is a complex business. A program built around the skills and knowledge required to run a modern farming business, Next Gen Breakthrough is a three year program has been designed to assist and support the development of the next generation of farm managers.

Next Gen Breakthrough steps through key financial, business and people management skills with practical tips, tricks and tools to gain confidence in decision making on farm. The participants in this program learn from fellow producers and their mentors to take make a positive impact in their farm businesses and ensure they continue into the future.

The Next Gen Breakthrough program will benefit participants through:

Connecting with like-minded producers to share ideas and experiences

Coaching from experienced Pinion Advisory consultants to implement the actions from the workshops

Creating an entrepreneurial and opportunity focused mindset

Gain confidence in decision making and improve farm management skills

Gain key financial, business and people management skills required to run a successful and professional farm business

Facilitated mentoring framework between current farm managers and the next gen to share experiences and advice for perpetual businesses

Developing a detailed action plan for the management succession of the business

Developing your business skills to become an effective manager and leader

Benchmarking business and management performance to review and improve throughout the program

This program is ideally suited to next generation farm managers starting their business management journey, working through management succession and wanting to improve their management skills.

You may have recently returned to your farm business or have been working in the business for a few years but you are moving into a management role pathway – this program is for you.

You can participate with multiple members of your business, another 'next gen' such as a sibling, colleague or partner.
