QUALIFICATIONS

- Bachelor Ag Science
- University of Adelaide Professional Management Program
- Certificate IV in Training and Assessment
- Tier 1 Accreditation in Foreign Exchange and Derivatives

PROFESSIONAL ASSOCIATIONS

- Mackillop Farm Management Group

Brendan is a senior agribusiness consultant for Pinion Advisory and contributes to the farm business management, grain marketing and industry development service areas. Brendan has strong technical skills in grain marketing systems and strategy, as well as a solid understanding of broadacre cropping profit drivers and business strategy development.

Brendan is a capable and reliable team member, with well developed client relationship and project management skills. He has experience in one on one client consulting, delivering value to clients through the delivery of grain marketing and advisory board services. Brendan also has experience in facilitating grower groups and extension activities.

Brendan has formal qualifications financial services and derivatives, which enables him to discuss derivative based strategies with grain marketing service clients.

Areas of expertise

- Grain marketing strategy development and implementation
- Financial benchmarking
- Strategic planning and farm governance with individual farming businesses
- Facilitation

Professional experience

- Pinion Advisory (Rural Directions) - Senior Agribusiness Consultant, 2010–present
