

GRAIN MARKET BRIEFING

October sessions

The markets are constantly changing, and these forums provide an ideal opportunity to engage and learn from like-minded farmers. Feedback from clients who have attended a grain briefing remains positive. Clients are saying that the discussions and learnings from the forums contribute to them making more considered grain marketing decisions.

The Grain Market Briefing will include:

- Open forum
We may not solve it but as a group we can certainly learn from it
- Harvest planning
 - Logistics
 - Grade spreads – fixed vs floating
 - Position planning
- Market strategy
 - Short term
 - Medium term
 - Long term
- Global overview

“Grain briefings are small, quiet, safe groups for us to listen and discuss world and local markets with people that have expertise in the marketing area as well as local farmers. They add confidence to business decisions especially during our busy harvest period”
