Brett is an experienced senior Human Resources Manager who has worked for large international businesses as well as providing HR consulting services to a wide range of Tasmanian organisations. His employment experience coupled with advisory roles with several Boards of Management allows Brett to identify himself as a true HR generalist.

Starting his working life as an electrician before attending university full-time as a mature aged student and advancing through various HR management roles, Brett is in the unique position of being able to offer the benefits of knowledge and understanding from a strategic management, operational and 'shop floor' perspective.

Brett has a genuine passion for providing HR support which allows individuals and businesses to realise their full potential.
