Chelsea is a Graduate Agribusiness Consultant for Pinion Advisory within the Commodity Risk Management Team.

Chelsea is new to the Pinion Advisory Team, having spent the last few years gaining experience in the livestock and wine industry. Through these industries she developed great communication skills and a passion for agriculture.

She is excited to increase her experience and knowledge in the grain industry within this role.

Chelsea's skills include commodity risk management, farm business management and grain marketing.

She is passionate about working one on one with clients towards successful outcomes.

Areas of expertise

- Commodity risk management
- Farm business management
- Grain marketing

Professional experience

- Thorn-Clarke Wines - Cellar Hand, 2021-2022
- University of Adelaide - Casual Lamb Assistant, July 2021
