QUALIFICATIONS

- Bachelor of Agricultural Science

Lachie is a Graduate Agribusiness Consultant for Pinion Advisory within the Pinion Centre for Family Agribusiness Team.

Lachie is new to the Pinion Advisory Team, having spent the last few years at university and gaining experience in the broadacre cropping and livestock industries. Through these industries he developed good problem-solving skills and enhanced his passion for agriculture.

He is excited to increase his knowledge and experience in the cropping industry within this role.

Lachie's skills include farm business management, livestock production and financial performance.

Areas of expertise

- Farm business management
- Financial performance
- Livestock production

Professional experience

- Manoora Seeds Pty Ltd – Processing Shed Worker, December 2020-February 2022
- AgXtra – Casual Field Worker, August 2022–November 2022
