QUALIFICATIONS

- Cert III Irrigation
- Certified Irrigation Agronomist

PROFESSIONAL ASSOCIATIONS

- Member of Irrigation Australia (IAL)
- Member of Australian Golf Course Superintendents Association (AGCSA)

Michael commenced in the Irrigation industry in 2009 as a lead installer of large commercial systems, from golf courses and sports fields to high rise green facade and roof top gardens. Michael has managed numerous irrigation projects over the years with a primary focus on delivering outcomes for the client. In 2014, Michael was employed by a large national irrigation company that specialised in retail, project management and design services.

His experience in the industry to this point has allowed him to be involved with many different irrigation designs and specifications.

Michael is a qualified Irrigation Agronomist with Irrigation Australia.
