The Palms, Unit 4
62 Glen Osmond Road
Parkside SA 5063

QUALIFICATIONS

- Bachelor of Mechanical Engineering

Igor is a Mechanical Drafter for Pinion Advisory in the Adelaide (Parkside) Office.

Since 2009, Igor, backed by the previous professional experience in Thermodynamics, moved to the HVAC sector, where he gained solid knowledge of the mechanical department in Building Services Commercial Projects and also became an expert in Autodesk Plant 3D, Revit and BIM management.

Areas of expertise

- AutoCAD drafting
- Plant 3D modelling
- Design and modelling of irrigation plants, c/w relevant pump stations, filtration stations and specialty valving solutions
- BIM Management
- Inventor designing
- Revit modelling
- Design and modelling irrigation layouts for commercial projects

Professional experience

- Pinion Advisory – Design/Drafter, 2022-present
- Mechanical-HVAC Consulting and Contracting companies in Building Services field throughout Australia (Frigrite, Watson & Fitzgerald, Bestec in Adelaide, Fredon, Entire Group, WGA, AECOM – interstate), 2009-2022
