Suite 7/8 Greenhill Road
WAYVILLE SA 5034

QUALIFICATIONS

- Diploma of Management
- Professional Management Program – Uni of Adelaide
- Diploma in Metrology

Brenton brings a wealth of experience to his role at Pinion Advisory, drawing on a diverse professional background across business operations. Brenton's knowledge of client contract execution and legal documentation processes is valuable in his role of Office and Fleet Manager, where he is responsible for general assets and fleet.

His past responsibilities have included oversight of operating budgets, human resources, work health and safety, and representation on the Mid North Regional Leaders Group. This broad experience has equipped Brenton with a well-rounded understanding of business management.

Areas of expertise

- Quality & environmental systems
- Contract review and documentation
- Asset management
- Fleet management
