

CAPABILITY STATEMENT

Fletcher Pegus

Consultant Engineering

CONTACT DETAILS

0418 816 645

Tech 4, Unit 2
30-38 Innovation Dr
Dowsing Point
TAS 7010

QUALIFICATIONS

- Bachelor Business (HRM)
- Prince2 Project Management

Since commencing employment with Pinion Advisory in September 2020, Fletcher has worked as the Scheme Operator and Bailiff on the Clyde River Irrigation Scheme and supported the Water and Environment teams on various projects in the office and in the field.

Recently, he has been assisting in managing the Water Use Efficiency Project, an extension project for the TAS Farm Innovation Hub. This project aims to build confidence and upskill farmers with all water related activities on farm, making them more resilient in drier times.

In 2022 and 2023, Fletcher was seconded to Tasmanian Irrigation, part-time, to assist with landowner liaison tasks during the design phase of the Northern Midlands Irrigation Scheme.

Areas of expertise

- Irrigation scheme management
- Project management
- Problem solving and negotiation
- Building strong relationships
- Stakeholder engagement
- Conflict resolution

Professional experience

- Pinion Advisory – Consultant – Water, 2021-present
- Pinion Advisory - Technical Officer, September 2020-2021
- John Holland Pty Ltd - Business Engagement and Support Advisor, 2017-2019
