#### QUALIFICATIONS

- Bachelor of Agricultural Science
- Landscape Irrigation Auditor

#### PROFESSIONAL ASSOCIATIONS

- Member of Irrigation Australia (IAL)
- Member of Australian Golf Course Superintendents Association (AGCSA)

James is highly experienced in the design, specification and assessment of irrigation systems. Prior to joining Pinion Advisory (HydroPlan) in 2013, he was employed as a Technical Services Engineer by a global manufacturer of irrigation products. James was responsible for the assessment and evaluation of irrigation systems, particularly golf courses and racecourses. He has also been involved in the design and specification of commercial drip and subsurface drip irrigation systems.

His experience of design, assessment and management of commercial irrigation systems has created a broad understanding of the requirements for successful, long-term irrigation systems.

James is a qualified Agronomist in addition to being a Landscape Irrigation Auditor.
