Brad has nearly 20 years of experience working in the Agricultural sector across VIC & Southern NSW and joined the GeoCommodities (now Pinion Advisory) team in August 2020.

Born and raised in the Wimmera, Brad spent time early in his career working for a Wimmera grain packer before moving to Swan Hill in 2006 for a position with the Wheat Board. Subsequent roles helped Brad gain experience in banking/acquisition, hay export & logistics.

His past experience and working closely with many diverse farming businesses has provided Brad with the knowledge and understanding to assist growers with their grain marketing requirements.
