

ISCC MARKET READINESS & RISK AWARENESS

Workshop Series

Horsham VIC

1 OCTOBER

Get ISCC Ready: Final Workshop in Horsham

Future-proof your grain business and explore new market opportunities.

Join us for the final workshop session provides a valuable opportunity to hear directly from Sustainable Grain Australia and GrainCorp and is followed by a discussion on ISCC malt barley supply chains over a **beer tasting and lunch** at **Rightbank Brewing Society**.

Hear from **Rosemary Richards (Sustainable Grain Australia)** on ISCC requirements and sustainability trends across grain supply chains and **Filip Janakievski (GrainCorp)** on emerging low-carbon liquid fuel markets, including renewable diesel and sustainable aviation fuel (SAF), and discuss the potential role Australian grain and oilseed producers may play in these developing value chains.

Thursday, 1 October
10:30am - 12:30pm

Followed by discussion on ISCC certified malt barley supply chains during a **tour, tasting and lunch** at Rightbank Brewing just around the corner from venue, Wimmera Business Centre, 62 Darlot St, Horsham VIC
